EDUCATION

IIMT College of Engineering

2021 – 2025

B.Tech - Artificial Intelligence and Data Science - **CGPA - 7.2**

Greater Noida, Uttar Pradesh

EXPERIENCE

Software Engineer Intern

Spet 2024 – Present

[Prutor@IITK](#)

Noida, Uttar-Pradesh

- Developed and deployed full-stack web applications using the MERN stack, integrating third-party services to enhance functionality and usability.
- Delivered two projects enhancing data visualization and user interaction. Focused on providing a seamless UI/UX experience with scalable architecture and optimizations.
- Spearheaded the revamp of [sathee.prutor.ai](#), optimizing backend systems to reduce load times from 4 to 3 seconds, improving performance for 1,000+ daily active users.

Web Development Intern

Sept 2023 – Dec 2023

[GAOTek Inc.](#)

Remote

- Worked as a Web Developer at Gaotek, Crafted responsive and visually engaging designs for over 30+ static web pages, enhancing user engagement levels by implementing best practices in HTML, CSS, and JavaScript for product visibility.
- Built responsive and visually captivating web interfaces that boosted user interaction, resulting in a 30% increase in average time spent on product pages while adhering to industry-standard development practices.

PROJECTS

[AgroHelp](#) | React, Node, Express, MongoDB

- Developed and implemented a MERN-stack web application for agriculture management, integrating features for education, events, healthcare, store management, and product inventory to streamline farm operations and resource planning.
- Designed and managed RESTful APIs with secure authentication, flexible routing, and reusable React.js components to enable functionalities like appointment scheduling, lab reporting, and e-commerce operations.

[TourIndia](#) | HTML, CSS, JavaScript

- Constructed an engaging travel website using HTML, CSS, and JavaScript, showcasing interactive maps and 10 travel guides; the platform is now utilized by over 50 travelers seeking destination insights and recommendations.
- Launched a comprehensive redesign of the website's user interface, incorporating responsive design elements that increased average session duration by 25% and over user satisfaction ratings across 1,500+ customer feedback surveys.

TECHNICAL SKILLS

Languages: Java, C, JavaScript, Python, SQL

Technologies/Frameworks: HTML, CSS, Bootstrap, React, MongoDB, Express, Node

Coursework: DSA, Operating System, OOPs, Computer Network, DBMS

CERTIFICATIONS

- * HTML, CSS, Javascript - **Udemy**
- * Java Basics - **Hackerrank**
- * Cloud Architect Professional Certificate - **Coursera**

ACHIEVEMENTS

[Leetcode](#) - 🏆

- * **Among Top 4 % LeetCode** users solved over 500+ Questions

[GeeksforGeeks](#) 🏆

- * **Completed over 200+** DSA problems, demonstrating strong analytical and algorithmic skills.
